Afternoon of the Arts

Saturday, April 30th, 2:00 PM at KPA

AUDITION DATES: Friday, April 1st OR Monday, April 4th from 3:30-6:00 PM

After not holding it for 2 years, our **Afternoon of the Arts** is scheduled for Saturday, April 25th, 2:00 PM at KPA. This is a wonderful opportunity to bring the KPA community together, showcase artistic visual and creative achievements of our students, and allow them to perform in front of an audience.

If you are interested in participating in the performance portion, please read the information and guidelines carefully. We are excited to see students' creativity and talent and would like the show to be fun and family-oriented. Please review the following checklist as you prepare:

- Dancing and music choices should be family-friendly. Examples would include most Christian, classical, patriotic, jazz, or folk genres.
- For your audition, please have music (CDs, sheet music, flash drive, or phone) with you, and ready.
- If you would like to use live background music (piano accompaniment), please make us aware of this prior to the audition.
- We ask that each student audition with only one solo performance. Exceptions may be considered at our discretion – please contact us. This does not exclude you from auditioning as part of a group as well.
- Some considerations for your act:
 - Is the act/song suitable for an ALL ages? Would it be appropriate for a "rated G" audience?
 - Is the subject matter, including lyrics, too mature or inappropriate for an "open house" setting, even if treated in a Christian light?

Time Commitment:

Rehearsals will be scheduled once a week for the last 3 weeks of April (Mondays, Thursdays, or Fridays). Practices are minimal and will include a short time (5-10 minutes) each week and a dress rehearsal TBD. You will be given a 5-10 minute time slot one of those three days that accommodates your family/sports schedule after school.

You must sign up for an audition time in order to perform. Please email Nicole Martens at martens@pmartens.net and include the following information by Wednesday, March 30th

1. Name/names in the group
2. Grade(s)
3. Type of performance
4. Title of music and composer or artist
5. Are you in athletics or have scheduling conflicts on Mondays/Thursdays/Fridays?
6. Which audition date would you like? (see choices below)

AUDITION DATES: Friday, April 1st 3:30-6:00 OR Monday, April 4th from 3:30-5:15 PM

We would also consider an audition by video submission if those audition dates do not work

*Please have your performance prepared. Everything should already be decided and rehearsed. DO NOT come to the audition to plan with your friends. There will be a sound system and acoustic piano available.

Looking forward to seeing what you are preparing! Please call, text, or email us if you have any questions. In His service, Nicole Martens 806.252.5304 martens@pmartens.net Kim Walker 512.468.4298
